## Crown Battery

### **Free Replacement Period:**

All Crown Batteries are warranted to be free from defects in material and workmanship within the warranty period. Any battery which demonstrates defect in material or workmanship (discharged or sulfated batteries do not apply) within a Free Replacement Period specified by BatteryGuru will be replaced or repaired at the option of BatteryGuru, free of charge, except for the cost of transportation of the battery.

12 months warranty for Crown Deep Cycle batteries, 24 months warranty for Crown Auto Batteries \*

### **Limitations:**

The seller's liability is limited to the replacement of the battery. The seller is not responsible for any installation costs, loss of time, or other consequential damage or cost incurred. The warranty does not apply to batteries that are only discharged, have broken containers, covers, or terminals, have been frozen, overcharged, or sulfated, have foreign material or additive put in the electrolyte, or when evidence of neglect or abuse is present. The warranty does not apply if the manufacturer's proprietary code markings have been tampered with or destroyed, if the battery is used in applications for which it is not designed, or if it was installed or charged in reverse.

### **Warranty Services:**

Return the suspect battery to any factory service centre or factory authorized distributor, wholesaler, or dealer. If an authorized representative cannot be located, contact BatteryGuru via phone or email. An authorized BatteryGuru representative will be appointed to perform warranty service.
